Subject: RE: Anthropogenic Background Meeting #1 Meeting Notes for Review

Hi All Thanks to those who have replied back regarding the meeting notes. I am planning to finalizing these today, by COB and asking the EWG to send a final version to EPA for the EW Remedial Site File and Administrative Record. If you have any issue with the meeting notes, please let me know before COB today.

Subject: FW: Anthropogenic Background Meeting #1 Meeting Notes for Review

Hi All Please review these meeting notes from our first AB Meeting with the EWG and let me know if you have any concerns or changes. I would like to finalize these before our meeting next Thursday the 24th, so please try and get back to me by Tuesday of next week (Sept 22nd). EPA will also be comparing these notes, to the notes we took. I plan to add these to the administrative record for the EW OU that will accompany the ROD when its released.

Thanks

Ravi
